Now we are asking your family to participate in creating one theatre family together for the entire community.

You can help sustain a medium that can educate – not simply our own, but the greater community – inspire, and celebrate the arts across generations, while providing a positive spotlight on the Jewish story and reflecting pride in our heritage.

# ALIVE!

## JOIN NOW !

You have the opportunity to be a member of the Chai Society, an exclusive and important group of donors, who, through their generosity, will take this company to the next level. You can be part of the transition that will sustain our vision and forever be recognized for this meaningful contribution.

## WHY SUPPORT US?

- Ordained by the Harold Green Family as the Canadian voice of Jewish theatre, our company is the only one of its kind to exist in Toronto, and one of two in Canada.
- The Chai Society is being inaugurated in support of the mission of the Harold Green Jewish Theatre Company. Members of this exclusive group will help give “chai” or life to our theatre company and help support the rich history of the Jewish community, and our city as a whole.
- Your gift will help create a bridge to sustainability, allow us to pilot new programs for youth and seniors, and help nurture and discover new Jewish Canadian playwrights

## YOU'RE SPECIAL TO US

It takes a very special person to support the arts. There are so many worthy causes, but we recognize that the arts are essential to preserving our rich culture and history. When you are part of the Chai Society, you are contributing to the only professional Jewish theatre company in Toronto. You can help us to sustain the vision, celebrate the arts and share our wonderful stories with the world.

## THE MISSION

Our goal is to secure 36 “chai” (life sustaining) gifts of \$36,000, payable over 3 years to the Harold Green Jewish Theatre Company, and thereby raise over one million dollars, which will strengthen our foundation.

## HOW TO GIVE

- One donor may make the commitment
- A family gift of one or more families
- Groups of people may come together to make the gift
- Corporate sponsorships

## SHARE IN OUR HISTORY AND HELP PROMOTE OUR FUTURE

- Fighting the negative picture of Israel in the news today
- Telling the story...good theatre has the ability to have a tremendous impact on community
- Passing on traditions through the shared experience of theatre
- Exploring the arts through a Jewish viewpoint
